

## Gaining Traction: Making Leadership Fun & Effective

### 2.9.21

#### Thank you to our panelists!

[Jonathan Bowman](#), Certified EOS Implementer, [jonathan@getvth.com](mailto:jonathan@getvth.com), [EOS® Testimonial Video](#)

[Ashley Butler](#), CoCreator, [Butler Automotive Management](#), [ab@bamfleet.com](mailto:ab@bamfleet.com)

#### \*The EOS Workbook is attached.

#### Key Points:

- Implementing a system with your team will help with communication, accountability, setting expectations and aligning your entire team with your core values.
- These practices apply in business and personal life.
- The tools apply to nonprofit and for-profit organizations alike.

#### Level 10 Meetings -- Because Every Meeting Should be a "10"!
